

COVID-19 RADIO COMMUNICATION EVENT

Araucária DX Group

On June 06-07, 2020 the Finnish Amateur Radio League, (SRAL) in cooperation with Araucaria DX Group (ADXG) of Brazil and Radio Arcala, OH8X of Finland organized a global special event featuring their STAYHOME movement and its radio activity.

The objective of this radio activity was to bring together this global group of some 3 million radio amateurs, have them greet each other and enhance their sense of global belonging.

The organizers of the event thank you for your participation in the STAYHOME/STAYSAFE movement and are now presenting the results of the event.

Please note:

- Only the biggest scores are listed in this document
- You can easily calculate your score using the following formula:

Score = (Cty + SH) x Nr of QSOs

- Cty: Nr of DXCC entities in the log
- SH: Nr of different official STAYHOME/STAYSAFE calls in the log

The official STAYHOME/STAYSAFE multiplier list is available here:

<http://www.ko8sca.com/multipliers.pdf>
